

 **AZILIN**  
All kinds of sportswear

Benefitting from many years of experience, Azilin Trading Company has started its activity by building large factories in the Middle East with the aim of producing different and high-quality products. Azilin has gained the trust and satisfaction of its customers by producing a diverse range of high-quality products and today it is considered as one of the most reputable and best manufacturers of sportswear in the Middle East. One of the main reasons why this company has succeeded is the huge variety of products offered and the highest quality which is guaranteed for its customers' orders to choose and order their desired products with complete confidence and peace of mind.

## Company Overview

## **Business Description**

Today, the society needs the entertainment industry more than any other industries, with the increasing development of human life, and people in the society spend a significant part of their time during their entertainment and recreation activities. Perhaps the most common and entertaining way to have fun and excitement is to exercise or watch sports. Exercise is one of the main leisure activities for most people in different communities.

Therefore, many countries in the world have started to produce and supply these products. China ranks first in the production of these products globally, meeting the needs of many countries. Germany, Bangladesh and Vietnam rank the second to fourth largest producers of these products in the world respectively. Among the largest companies producing sportswear in the world, Azilin Trading Company has managed to produce all kinds of sportswear with the best quality and by offering them in the markets of the Middle East.

## Vision and values

Azilin Trading Company will remain an active, passionate, reliable and leading company that intends to become the first choice of customers with the aim of gaining their satisfaction and offering the best and highest quality products in order to stabilize its position as the most reputable brand related to sports items. Azilin, also intends to expand its field of work, in the long run to become the top and most reputable company active in the field of sportswear around the world. Honesty and integrity at all levels of the organization, the use of high-quality raw materials, fashionable use in the production of products and protection of the environment are among the values that Azilin Trading Company adheres to, at all levels of the organization.

Azilin Trading Company is striving to satisfy and reassure customers and will spare no efforts to achieve this.

### **Targets:**
